

ELEVATING WORK PLATFORM (OVER 11M) STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal.

If you are enrolled in the advanced course, you **MUST** complete the online pre-course work prior to attending your course.

3. Attend Your Training & complete your WorkSafe WA High Risk Work (HRW) Assessment

If you are completing the Standard Course:

You will receive 1 full day of training and 1 day for your HRW Assessment.

If you are completing the Advanced Course:

You will attend for 1 day for your HRW Assessment. Prior to attending the course, you must have your online pre-course work completed.

4. Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA) which is valid for 60 days. This document allows you to immediately operate an Elevated Work Platform (Over 11m).

NATIONALLY RECOGNISED
TRAINING

You will also receive a Statement of Attainment for **TLILIC0005 Licence to operate a boom-type elevating work platform (boom length 11 metres or more)**

You can apply for a high risk work (HRW) Licence or add a new licence class on an existing HRW licence at worksafe.wa.gov.au. This must be completed within 60 days. Your photo licence will be mailed to you directly and is valid for 5 years.
