

BASIC SCAFFOLDING STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Here you will access your pre-course material and complete your pre-course quiz.

3. Attend 4 Days of Training & Book into your WorkSafe WA Assessment

Theory, Practical Training & Practical Assessment Preparation. Your assessment date will be held within 14 days. We recommend using this time to study.

4. Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA). This document allows you to immediately erect, alter or dismantle a temporary structure within the scope of a basic scaffolder.

You will receive a Statement of Attainment for the unit **CPCCLSF2001 Licence to erect, alter and dismantle scaffolding basic level.**

Apply to WorkSafe WA for your National High Risk Work Licence (SB Class) within 60 days at an Australia Post Office*. Your Photo Licence will be mailed to you directly and is valid for 5 years.

*Post Office application fees apply.
